

**Salmonid Restoration Federation
26th Annual Restoration Conference Evaluation Form**

What did you like best about this year's conference?

What could be improved at next year's conference?

What are your suggestions for future workshop or session topics and speakers?

What would you like to see as a focus for the plenary session?

Who would you recommend as keynote speakers?

What organizations and institutions would you recommend to help organize or co-sponsor the 2009 conference which will be held in Santa Cruz, CA?

What regions and specific sites would you like for future conferences?

Please circle what you think about the cost of the conference: reasonable, cost-prohibitive, inexpensive

Could you afford to attend the conference if SRF had to increase registration costs?

How did you hear about the conference?

What subjects would you like to see taught at a SRF Stream Habitat Restoration Field School?

Evaluation Process for Workshops, Field Tours, and Concurrent Sessions

Please answer the questions using 1 to represent the lowest possible score and 10 to represent the highest possible score.

Please indicate what workshop or field tour you are rating:

Question	Rank
How familiar were you with the information presented before the tour/workshop?	1 2 3 4 5 6 7 8 9 10
Did the tour/workshop provide you with useful information?	1 2 3 4 5 6 7 8 9 10
Rate the quality of the presenters and their presentations	1 2 3 4 5 6 7 8 9 10
How would you rank your understanding of the information after attending this workshop?	1 2 3 4 5 6 7 8 9 10

Additional Comments:

How will you apply the knowledge you have gained in your restoration work?

Please indicate what workshop or field tour you are rating:
